All Clean Services

University of Greenwich

#### Client

University of Greenwich is based over 3 main campuses: Avery Hill, Medway and Greenwich (the historic Royal Naval College). The University is the largest in London by student numbers.

#### Challenge

The University of Greenwich needed to source a low cost high quality window cleaning supplier for their 3 campuses. The service provider needed to have a proven track record of delivering high service standards to similar sized multi-site contracts.

#### Solution

All Clean Services were awarded the window cleaning contract in 2014 following competitive tender. All Clean Services were able to demonstrate a successful track record of window cleaning for similar sized clients including: University of Cambridge, Portman Estates, Guys & St Thomas NHS Trust, Etc.
